CAREER GROWTH & BUSINESS

First payslip checker

Your first payslip in the UK: what to check before small errors become routine

A practical AWWN guide with matching symbols, quick actions and official links.

Read the payslip line by line

Check gross pay, net pay, hours, tax, National Insurance and deductions.

Compare hours and breaks

Make sure paid hours match shifts, breaks and cancellation rules.

Check the minimum wage

Compare hourly pay with the current legal minimum.

Keep written terms

Save offer messages, rota, contract, timesheets and payslips.

Question deductions

Ask about uniform, training, agency or transport deductions.

Use ACAS/Citizens Advice

Get independent guidance if pay errors are not corrected.

Use this page: start at the top-left card, then keep the source links for when you need the official route.
